Install

Installation type

This computer currently has Windows 8 on it. What would you like to do?

Install Ubuntu alongside Windows 8

Documents, music, and other personal files will be kept. You can choose which operating system you want each time the computer starts up.

Erase disk and install Ubuntu

Warning: This will delete all your programs, documents, photos, music, and any other files in all operating systems.

[Advanced features...](#) None selected

Something else

You can create or resize partitions yourself, or choose multiple partitions for Ubuntu.

Quit
